You are granted Master Resale Rights to this report.

You may sell it at any price you wish, you may give it away, and you may include it in paid or free membership sites. These rights are automatically granted to anyone you sell or give the report away to.

You are not permitted to alter this document in any way. You may not add to it, nor remove from it. You may not alter the links or disable them.

This document was created to help the thousands of new Camtasia Studio users that resulted from the December 2007 free release of Camtasia Studio version 3 by TechSmith Corporation.

What follows is a compilation of Camtasia tutorials, most of them being videos with step-by-step instructions on how to do particular things with Camtasia. Some of these are version 3 specific, and some are for Camtasia versions 4 and 5. The ones that are version 3 specific are identified as such.

These resources are all free.

In the event you haven't yet downloaded and registered your own free Camtasia Studio 3, I have included instructions on how to do so at the end of the document.

I cannot guarantee that TechSmith will honor this giveaway forever, nor can I guarantee that the giveaway will still be available at the time you acquire this report.

I hope this helps speed the learning process for you, and that you find the experience profitable.

How to Get Camtasia Studio 3 for Free

1. Download the Camtasia Studio free trial at:
<http://download.techsmith.com/camtasiastudio/enu/312/camtasiaf.exe>
2. Register your product at the following link, and TechSmith will email you a key to unlock your copy so it doesn't expire:
<http://www.techsmith.com/camtasia/pcpls.asp>
3. Install the software and input the registration key where prompted. You now have a full working version of the software that will not expire.
4. You may upgrade to Camtasia Studio 5 for \$149 (a savings of \$150). To do so, start the program, click Help, then click Check for Upgrade.

Learn to:

- **Create slick, professional video tutorials.** The kind that make for happy customers who buy from you again and again.
- **Avoid the nasty amateur voiceovers that make customers cringe and ask for refunds.** With the easy plan in this Recipe, you'll have a great narration that gets the instruction across in a way that makes for customers who'll come back for more.
- **Produce professional-looking title clips to start each video off right.** Impress your customers with a veneer of expertise.
- **Assemble a hot demo video to place on You Tube.** Nothing like a good pre-sell to pump your sales up and bring cash flowing in.

With this report, you'll be ready to start producing hot video tutorials right away. Simply follow the easy, illustrated steps ... and create your tutorial set. Before you know it, you'll be selling set after set on the Internet.
