Success Guide Overview

WYP Network - had put together this quick success guide to help each Business Partner to be successful with this financial plan in a timely manner. The purpose of the guide is to bridge all Partners into their million dollar income bracket. We chose Four Corners Alliance Group, LLC business schematic because it is extremely affordable for the average individual. We've put together and revamped this easy to do step-by-step guide to get you on the way to reaching your 14-days goal of becoming a millionaire and leading you to multi-millionaire status. We don't want anyone to be bogged down with a vast amount of reading materials, because the Millionaire Super-Pac is easy with simple steps to follow. Our focus is to lead each Partner to complete their task in a timely manner within 14-days. This is where urgency and time-management skills are developed.

Goals

1. First, see yourself as a millionaire. Be willing to alter your thinking process in this.
2. Second, once the decision has been made to enter the Millionaire Super-PAC business structure, then your next approach is to zone in on who will join you to reach millionaire status also, these are your personally elected four Business Partners.
3. Third, realize the numbers 4.48; meaning all that's required of you is four Business Partners in 48 hours. This is where urgency meet success at the race. These are your track mates at the 400 meter sprint and you MUST pass the baton and each of you must run as fast as you can to win this race.
4. A sense of urgency must become your friend in order to catapult you into a life and state of financial existence.
5. Follow the quick step blueprint and the formula and you will acquire millionaire income stream with ease. Your rewards will be evident and eventful and within a short span of time. You only have to be willing and see it and want it and not allow anything, anyone, or yourself stand in the way.
6. Terminate your (40/60/70 hours) place of employment. Add a million to multi-million dollar source of income to secure yours and your family's future permanently.
